

LEADERSHIP RICE

INTERIM DIRECTORS

Natalia Ksiezzyk

Jennifer Murray

The mission of Leadership Rice is to help Rice University undergraduates from all disciplines build their leadership capacities to create and manage change effectively. Leadership Rice explores how heart and mind, theory and practice, and ideas and actions come together to facilitate change.

The introductory course, LEAD 309 *Leadership: Theory to Practice* (formerly UNIV 309), is required to apply for participation in the Summer Mentorship Experience and the Leadership Certificate. LEAD 309 is offered only during the fall. Other courses may be taken independently. Leadership Rice's Summer Mentorship Experience places 40 to 50 students each summer in full-time, paid summer mentorships in Houston or nationally. Students are accepted by application between December and February and, if accepted, become part of the Leadership Rice program.

Leadership Rice courses are open to undergraduates from all disciplines:

LEAD 309: *Leadership: Theory to Practice*

LEAD 310: *Leadership Certificate Seminar*

LEAD 311: *Creativity*

HUMA 311: *Leadership Communication*

LEAD 313: *Entrepreneurial Leadership*

PHIL 120: *Ethics of Leadership*

LEAD 409: *Leadership Practicum* (for LEAD 309 teaching assistants)

THE LEADERSHIP CERTIFICATE:

The program offers a Leadership Certificate for students eager to experience personal growth and reflect deeply on their activities while at Rice. The intention of the certificate is not to have students burdened by doing more but to get more from what they will already be doing. More details about the Leadership Certificate can be found on the Leadership Rice website www.rice.edu/leadership.

Certificate requirements, which can be met in a variety of ways, include:

ACADEMIC WORK

LEAD 309 (formerly UNIV 309)

Communications

Public policy/leadership theory

Ethics

EXPERIENTIAL COMPONENTS

Summer work experience

Community service

International experience

Campus engagement

CAPSTONE PROJECT

At the end of the process, certificate students address their understanding of leadership by tackling a “real world” problem, either on campus or beyond. Students are expected to make a public presentation of their work and include documentation in their portfolio.

More information about the program may be found at www.rice.edu/leadership.
