\*Microphone pricing is a flat fee, not a per microphone charge. (ie. If “department XYZ” needs six corded microphones for a panel discussion, one podium w/ mic for a moderator, and two cordless microphones for question/answer the total cost would be \$65.00 [\$15+\$25+\$25] for their A/V needs.)

\*\* See “Portable Sound System Rental Policy” form for specific information, descriptions, and additional pricing.

\*\*\*Pricing above is for use outside of the SC. There is no charge for tables/chairs used within the facility.  
(Technical assistance can be provided for all equipment.)

**Prices are subject to change without notice.**
